

## CURRICULUM VITAE

**Alida M. Bouris**

---

University of Chicago  
Crown Family School of Social Work, Policy and Practice  
969 E. 60<sup>th</sup> St. Chicago, IL 60637  
Office phone: 773-834-4304 Facsimile: 773-702-0874  
Email: [abouris@uchicago.edu](mailto:abouris@uchicago.edu)

### **EDUCATION**

<b>YEAR</b>	<b>DEGREE</b>	<b>INSTITUTION</b>	<b>FIELD OF STUDY</b>
2009	PH.D.	Columbia University School of Social Work New York, NY	Social Work
2009	M.PHIL.	Columbia University School of Social Work New York, NY	Social Work
2004	M.S.S.W.	Columbia University School of Social Work New York, NY	Social Work
1996	B.A.	University of California at Berkeley Berkeley, CA	Women's Studies

### **ACADEMIC AND RESEARCH APPOINTMENTS**

2016 – present	<i>Associate Professor</i> , Crown Family School of Social Work, Policy and Practice (formerly known as School of Social Service Administration), University of Chicago
2009 – 2016	<i>Assistant Professor</i> , School of Social Service Administration, University of Chicago
2015 – present	<i>Co-Director</i> , Behavioral, Social, and Implementation Sciences Core, Third Coast Center for AIDS Research, University of Chicago and Northwestern University
2015 – present	<i>Co-Director</i> , Transmedia Story Lab, Center for Interdisciplinary Inquiry and Innovation in Sexual and Reproductive Health (Ci3), University of Chicago
2013 – present	<i>Co-Director</i> , Chicago Center for HIV Elimination, University of Chicago
2012 – present	<i>Faculty Affiliate</i> , Center for Interdisciplinary Inquiry and Innovation in Sexual and Reproductive Health (Ci3), University of Chicago
2010 – present	<i>Faculty Affiliate</i> , Center for Human Potential and Public Policy, The Harris School of Public Policy Studies, University of Chicago
2010 – 2013	<i>Visiting Assistant Professor</i> , Summer Appointment, Center for AIDS Prevention Studies, Department of Medicine, Training Program for Scientists Conducting Research to Reduce HIV/STI Health Disparities, University of California San Francisco
2009 – present	<i>Faculty Affiliate</i> , Center for the Study of Gender and Sexuality, University of Chicago
2005 – 2008	<i>Project Coordinator</i> , Columbia University School of Social Work
2004 – 2005	<i>Senior Research Associate</i> , Columbia University School of Social Work

## **CURRENT RESEARCH**

### *Contact Principal Investigator*

Harnessing social network support to improve retention in care and viral suppression among young Black men in Chicago and Alabama: A hybrid type I effectiveness-implementation trial of Project nGage  
R01MH125744 National Institute of Mental Health

Duration of Study: 2021 – 2026 Total Cost: \$2,316,461

This study will conduct a Type I hybrid trial of the Project nGage, a dyadic social network support intervention designed to increase retention in care for and viral suppression among young Black sexual minority men in Chicago, IL and Alabama.

Multiple PI: Bouris and Batey

### *Co-Principal Investigator*

A stepped wedge hybrid type II trial of an online positive affect intervention: Blending implementation and effectiveness to improve HIV continuum outcomes in Ryan White clinics in Chicago

R01MH124632-01 National Institute of Mental Health

Duration of Study: 2020 – 2025 Total cost: 3,167,992

The proposed study will conduct a Type I hybrid randomized controlled trial of a mental health screening and referral to ORCHID, a positive affect skills intervention called ORCHID (Optimizing Resilience and Coping with HIV through Internet Delivery) in Ryan White clinics in Chicago to decrease depression and improve engagement in care.

Multiple PI: Moskowitz and Bouris

### *Co-Investigator*

Reducing Opioid Mortality in Illinois (ROMI)

1UG1DA050066-01 National Institute on Drug Abuse

Duration: 2019 – 2024 Total cost: \$692,522

ROMI will conduct a multi-site randomized trial to serve individuals with opioid use disorders who exit Illinois jails and prisons. ROMI will test a case management intervention to promote medication-assisted treatment among justice-involved persons with opioid use disorders in urban and rural settings in Illinois.

Multiple PIs: Pollack H., Schneider, and Pho

### *Co-Investigator*

Community Network Driven COVID-19 Testing of Vulnerable Populations in the Central US

3UG1DA050066 National Institute on Drug Abuse

Duration of Study: 2020 – 2025 Total Cost: \$3,680,904

The C3project will implement and evaluate a COVID-19 testing approach that combines an evidence-based Social Network Testing Strategy (SNS) with community developed public health messages (SNS+). C3 will engage n=2400 adults from two disenfranchised populations across rural and urban sites in the Central US (TX, LA, AR, IN, IL) by leveraging community-academic partnerships, research and engagement infrastructure, and the Justice Community Opioid Intervention Network.

Multiple PIs: Pho, Pollack, and Schneider

### *Co-Investigator*

Behavioral, Social, and Implementation Sciences Core (BSIS), Third Coast Center for AIDS Research

1P30AI117943 National Institutes of Health

Duration of Study: 2020 – 2025 Total cost: \$1,031,961 Parent Award

The TC-CFAR (renewal) is a collaboration between the University of Chicago, Northwestern University, the Chicago and IL Departments of Public Health, AIDS Foundation Chicago, Howard Brown Health and other CBOs. The BSIS Core facilitates collaborations between TC-CFAR investigators to analyze epidemiological and other data; facilitate social and behavioral sciences research; provide training in implementation science; and increase community engagement and involvement in HIV/AIDS research.

PI: Moskowitz

## **CURRENT RESEARCH (CONTINUED)**

### *Co-Investigator*

FAHST-ITAP: Food and Housing Support to Improve HIV Treatment and Prevention

P30AI117943

National Institutes of Health

Duration: 2021 – 2022

Total cost: \$239,033

This study will conduct mixed-methods research with patients and providers in order to identify barriers and facilitators to implementing interventions that address how structural barriers of food insecurity, housing instability, and transportation influence access to HIV prevention and treatment services.

PI: Pyra of Administrative Supplement / D'Aquila: PI of Parent Grant

### *Co-Investigator*

Great Lakes Node of the Drug Abuse Clinical Trials Network

5UG1DA049467-02

National Institute on Drug Abuse

Duration: 2019 – 2024

Total cost: \$444,441

The Great Lakes Node of the Drug Abuse Clinical Trials Network will facilitate research on substance and opioid misuse. The node will support clinical trials relevant to the epidemics and also advance research in novel models of care, data analytics, mobile interventions and training.

PI: Karnik

### *Co-Investigator*

A Multilevel Physical Activity Intervention for South Asian Women and Girls

R01CA242520

National Cancer Institute

Duration: 2019 – 2024

Total cost: \$659,380

This study will test the effectiveness and implementation of SAATH, a multicomponent physical activity intervention directed at the environment, family, interpersonal and individual levels to promote physical activity among South Asian immigrant mothers and daughters.

PI: Kandula

### *Co-Investigator*

Examining biomarkers and mechanisms of health disparities in sexual minority women

1R01HL137246

National Heart, Lung, and Blood Institute

Duration: 2017 – 2022

Total cost: \$2,500,000

This study will link data on discrimination and childhood adversity from the Pittsburgh Girls Study, an ongoing longitudinal study, to examine the role of stress exposure in the relation between sexual minority status and health using biomarkers of cardiometabolic functioning and inflammation.

PI: Keenan

### *Consultant*

HIV Prevention among Street Connected Youth

Shota Rustaveli National Science Foundation

Duration: 2018 – 2022

Total cost: \$70,000

This study will examine the relation between social networks, social-psychological factors, and substance use and sexual behaviors among street-connected youth in Tbilisi, Georgia.

PI: Sadzaglishvili

## **COMPLETED RESEARCH**

### *Principal Investigator*

Project PrEP-R: Network support to engage and retain younger Black MSM in PrEP care

R34MH111392

National Institute of Mental Health

Duration of Study: 2016 – 2020

Total cost: \$677,737

*Co-Investigator*, Behavioral, Social, and Implementation Sciences Core (BSIS), Third Coast Center for AIDS Research  
1P30AI117943 National Institutes of Health  
Duration of Study: 2015 – 2020 Total cost: \$1,102,466  
PI: Moskowitz

*Principal Investigator*, PrEParing our Youth  
Third Coast Center for AIDS Research Pilot Award  
Duration of Study: 2016 – 2020 Total cost: \$50,000  
Multiple PIs: Bouris and Kuhns

*Co-Investigator*, Accelerating PrEP Diffusion among Black MSM  
R01AI120700 National Institute of Allergy and Infectious Diseases  
Duration of Study: 2015 – 2019 Total cost: \$3,143,569  
PI: Schneider

*Co-Investigator*, Motives for heavy cannabis use among young men who have sex with men living with HIV/AIDS  
R03DA041908 National Institute on Drug Abuse  
Duration of Study: 2016 – 2019 Total cost: \$168,845  
PI: Bruce

*Co-Investigator*, Story Lab: Impacting the Public Humanities and Public Health through Digital Narratives  
Neubauer Collegium for Culture and Society  
Duration of Study: 2016 – 2018 Total cost: \$200,000  
Multiple PIs: Gilliam and Jagoda

*Principal Investigator*, Next Generation Partner Notification and Intervention Services  
R34MH104058 National Institute of Mental Health  
Duration of Study: 2015 – 2018 Total cost: \$237,000  
Multiple PI: Bouris and Schneider

*Co-Investigator*, Developing a Pre-Exposure Prophylaxis (PrEP) mobile health app for young Black MSM: miPrEP  
SP0033957/ Parent: P30AI117943 National Institute of Allergy and Infectious Diseases  
Duration of Study: 2015 – 2016 Total cost: \$157,989  
PI of Subcontract: Hill

*Principal Investigator*, Preventing HIV/AIDS among Young Black MSM  
National Institute of Minority Health and Health Disparities  
Duration of Study: 2013 – 2015 Total cost: \$54,312.53 (Loan Repayment)

*Co-Investigator*, Network Supported Engagement in HIV Care for Younger Black Men  
R34MH097622-01 National Institute of Mental Health  
Duration of Study: 2012 – 2015 Total cost: \$450,000  
Multiple PIs: Schneider and Voisin

*Principal Investigator*, Parents' Role in Preventing HIV among Black and Latino YMSM: Parent, Youth, and Provider Perspectives  
Subcontract: Center for AIDS Prevention Studies, UC San Francisco, National Institute on Drug Abuse  
Grant No. 5R25DA028567-02  
Duration of Study: 2010 – 2015 Total cost: \$25,000

*Principal Investigator*, South Side Stories  
Ford Foundation

Duration of Study: 2013 – 2015                      Total cost: \$500,000  
Multiple PIs: Bouris and Gilliam

*Principal Investigator*, Exploring Youth Perspectives on Digital Storytelling as a Method to Support  
Empowerment and Health

Renée Logan Faculty Research Fund and the SSA Fund for Faculty Research, University of Chicago  
Duration of Study: 2013 – 2015                      Total cost: \$5,000

*Principal Investigator*, Family and School Engagement to Protect Gay Youth of Color from HIV, CHAS  
Seed Grant

Duration of Study: 2013 – 2015                      Total cost: \$15,000

*Principal Investigator*, Project READY: The Chicago Youth Study

Subcontract: Institute for Translational Medicine's Pilot Projects in Translational and Clinical Studies  
Award, National Center for Advancing Translational Sciences, Grant No. UL1TR000430

Duration of Study: 2013 – 2015                      Total cost: \$40,000

*Co-Principal Investigator*, STI/HIV Intervention Network (SHINE),  
University of Chicago School of Social Service Administration

Duration of Study: 2011 – 2015                      Total cost: \$87,847  
Co-PIs: Voisin and Epperson

*Co-Investigator*, Funding the Source: Interdisciplinary Methodologies for Evaluation of Game-Based  
STEM Learning

Grant No. 1342159                                      National Science Foundation  
Duration of Study: 2013 – 2015                      Total cost: \$299,736  
PIs: Gilliam and Menendez

*Co-Investigator*, An Innovative Approach to Preventing Depression

R34MH092467                                      National Institute of Mental Health  
Duration of Study: 2011 – 2014                      Total cost: \$465,474

Multiple PIs: Keenan and Grant

*Principal Investigator*, Contextual Influences on the Health of Lesbian, Gay, and Bisexual Adolescents

Renée Logan Faculty Research Fund and the SSA Fund for Faculty Research, University of Chicago  
Duration of Study: 2010 – 2012                      Total cost: \$5,000

*Co-Investigator*, Reducing Teen Sexual Behavior: A Clinic-Based Approach

R34 MH078719                                      National Institute of Mental Health  
Duration of study: 2007 – 2011                      Total cost: \$652,050

PI: Guilamo-Ramos

*Principal Investigator*, Parental Influences on Young Adult Sexual Risk Behaviors

1R36DP001161-01                      CDC, National Center for Chronic Disease Prevention and Health  
Promotion

Duration of study: 2007 – 2009                      Total cost: \$37,789

**DECLINED DUE TO FUNDING REDUNDANCY**

*Principal Investigator*

Parental Influences on Young Adult HIV-Related Sexual Risk Behaviors

F31MH083582                                      NIMH, Ruth L. Kirschstein National Research Service Award  
Duration of study: 2008 – 2009                      Total cost: \$24,507
